The winner will take home a magnum of each of these spectacular vintages of Joseph Phelps Insignia spanning the last three decades. From cowboy hats and cattle ranches to appetites and attitudes, everything is bigger in the Wild West, including these special bottles of wine.

1995 INSIGNIA
“A wine of great intensity and richness, it displays classic notes of licorice, barbecue smoke, crème de cassis, cedarwood and forest floor. Full-bodied with sensational purity, a multidimensional mouthfeel, and a long, voluptuous finish.” Robert Parker, 98pts

2000 INSIGNIA
“Serves up lots of ripe, rich, spicy cherry, currant, plum and blackberry fruit. Tightly focused, with fine balance. Finishes with spicy, cedary oak and good length.” Wine Spectator, 92pts

2008 INSIGNIA
“2008 reveals an opaque purple color in addition to blueberry and blackberry fruit notes intermixed with incense and violets. Barely approaching adolescence, it is still a grapy, primary, full-bodied beauty.” Robert Parker, 93pts

2013 INSIGNIA
“The wine offers a stunning inky blue/purple color, a gorgeous nose of blueberry and blackberry liqueur, pen ink, graphite, new saddle leather and barrique. The wine has fabulous concentration, a full-bodied, multi-layered mouthfeel, and tremendous finish with moderate tannin.” Robert Parker, 98pts

2015 INSIGNIA
“The wine opens with stunning black and red plums, cassis, and mulberries scents with loads of redcurrant sparks and compelling wafts of lilacs, pencil shavings, black olives, and tilled soil plus a hint of bay leaves. Medium to full-bodied, the palate explodes with red and blackcurrant fireworks plus some exciting mineral nuances coming through, framed by firm, grainy tannins, and fantastic freshness, finishing very long and beautifully layered.” Lisa Perrotti-Brown, 98pts

2019 INSIGNIA
“The wine has a classic varietal and incredibly complex nose of crème de cassis, freshly sharpened pencils, green tobacco, and damp earth, with a kiss of background sappy spring flowers. Seemingly from a cooler year with its freshness, vibrancy, and herbal, floral character on the nose, it’s nevertheless full-bodied and beautifully concentrated on the palate, with ultra-fine tannins, a seamless, layered mouthfeel, and a gorgeous finish.” Jeb Dunnuck, 99pts

Our outdoor working classroom space has been a key component of our children’s education since our school’s founding in 1981. We are blessed to have ample acres that are dedicated to fostering outdoor learning so that students can interact with and learn from nature and the animals. This relationship begins from the time that they enter SHMS in their toddler years all the way through the adolescent years. The farm provides a safe and protected environment to strengthen and develop our children mentally, emotionally, physically, and academically. Maria Montessori believed that connecting students to the land provided an optimal environment for development, and her vision is brought to life here every day.

In particular, we hope to begin raising funds for the construction of a purpose-designed animal barn as a permanent home for the 50 goats and sheep that our students care for on the farm. This new barn would feature seven large stalls; covered sheds on either side of the barn to protect the animals from the elements; hay storage; a covered outdoor classroom and one indoor classroom; and a tack room for incubators, a medicine refrigerator, and other essentials that allow for our students to care for their beloved animals and to receive an exceptional hands-on education in the life sciences.

Tonight’s Fund-a-Need will support the expansion and ongoing maintenance of our farm, which includes funds for the construction of this animal barn. Raise those paddles high, and help us raise the animal barn and witness our beautiful farm continue to take shape and flourish in the weeks, months, and years to come!

Medium to full-bodied, the palate is stunningly graceful and refined, featuring exhilarating mineral sparks among the red and black fruits, finishing with so much brightness and energy. Breathtaking!” Lisa Perrotti-Brown, 100pts

2021 AUBERT LAUREN ESTATE CHARDONNAY 1.5L

2019 SPOTTSWOODE ESTATE CABERNET SAUVIGNON 750ML
“Medium-bodied, elegant and tightly wound, the palate shimmers with SO MUCH energy, featuring layer upon layer of floral, savory and crunchy black fruit notes, finishing long and minerally.” Lisa Perrotti-Brown, 100pts

Under the direction of artist and SHMS mother, Cynthia Carey, the Elementary students have once again prepared these stunningly eclectic art pieces. Each class presents two masterpieces, both of which are a kaleidoscope of color and personality, as all of the children have created their own pieces of art work within the master work. The students have poured their individuality into crafting, during which time they learned about color, contrast, and dimension. In connection with the Montessori philosophy, these pieces have been joined together in harmony, thereby honoring the child’s individual expression and the classroom community as a whole.

The artwork will be displayed the evening of Festa, and the students associated with each piece will be clearly marked.

FROM THE FIRE TO THE FRAME

This one-of-a-kind, hand-crafted Custom Fire Hose Flag is made from out-of-service fire hose. Both the frame and stars are torched wood. Donors Ryan and Katie Chagonjian live in Napa, along with their three daughters, and began making flags from out-of-service fire hose as a hobby, gifting many to local fire stations and to retiring firefighters. As demand for their craftsmanship increased, Ryan and Katie opened their online business and now design and build custom flags for individuals to enjoy both locally and nationwide. There’s even one hanging in the White House!
